

SHOTGUN COMPETITION

SCRAMBLE: All team members tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or ball marker. The other team members pick up their balls and place them within one club length (no closer to the hole) of the marked spot. You can not improve your lie from a bunker, hazard or rough to the fairway. Continue to play best ball to end of the hole. The Pro Shot on the designated hole will be used for the team drive and counts as your first stroke.

In place of 2 Mulligans per person, we are using 8 Sure Putts per team, regardless of how many players are on the team. The team **MUST** declare that it is using a Sure Putt **BEFORE** anyone on the team hits a putt on that hole.

To record a personal Milestone (birdie, eagle or chip-in) every shot used on that hole must be your own. *“The Pro Shot is not your shot”*.
